Twenty participants comprising persons with visual impairment, representatives of the General Union of Persons with Disabilities – Bethlehem and other BSCD members, in addition to inpatients at BASR and some of its staff members participated in the recreational activities held at the BSCD facility annex to BASR. This event comes as part of the program “Empowerment of Palestinian People with Visual Impairment and Promoting their Inclusion in Society”, supported by the Finish Federation of the Visually Impaired. The participants spent the evening playing dominos, Tombola and other accessible games. They also actively participated in the various cultural competitions and immensely enjoyed the singing and music played by the trainees of the music course which the club runs.
