A high level delegation from the Palestinian Ministry of Health, headed by His Excellency Minister of Health Dr. Hani Abdeen, visited BASR's Specialized Rehabilitation and Surgery Hospital on Wednesday 10\textsuperscript{th} April 2013. During the visit, they were introduced to BASR's varied comprehensive facility-based and community-based services rendered to the Palestinian population particularly to people with disabilities. Besides, His Excellency Minister of health officially recognized BASR as the sole specialized referral centre for cochlear implants and referred to the official agreement that was recently signed between the Ministry and BASR in this regard.
