

Thank you for visiting the Careers web page.

Bethlehem Arab Society for Rehabilitation (BASR) is truly a unique place to work, combining the best in private healthcare, Rehabilitation services and facilities, and community programs. We hope that by looking through the website, it will provide you with a glimpse of the truly excellent quality services that we provide, that you can now be a part of.

By joining BASR you will be working in a place with World Class healthcare facilities and services, with friendly, dedicated and passionate staff, and through your contribution you will be supporting our success. Our staff provides the excellent level of services, and always going that extra mile for patients. We also have a passion for excellence, development and innovation. Working at BASR feels very special.

We provide a wide range of benefits including, for example, training and development, flexible working hours, sick pay, occupational health, and staff loans. We are continuously developing our range of benefits – we recognize high standards of care and support for our staff in turn means high standards of care and support for our patients.

If you are committed to delivering excellence, then make the move to the Bethlehem Arab Society for Rehabilitation for a more rewarding career with an organization that prides itself on its levels of compassion and excellence. Join us now!

Interested individuals can email their C.V. to hr@basr.org

Resource Centre of Excellence

BASR is also nationally and internationally recognized as a resource centre of excellence for the transfer of knowledge and expertise. Through its twinning and partnership with different national and international universities and organizations, it welcomes many local and international university students and volunteers from different walks of life.
